2022 Gravel Pit Survey and Inspection Reporting

Vergas, Minnesota

March 1, 2022

2022 Engineering Services

Engineering Services

Project Understanding:

The City of Vergas has adopted an ordinance to regulate the existing and future mining operations within the city limits. It is the City's intent to ensure that the disturbed areas are restored upon completion of mining operations, and overall, to protect the public health, life and general welfare of its citizens. As part of the ordinance, the mining site shall be surveyed and inspected yearly to ensure the site follows the requirements stated in the ordinance.

Task 1 –Gravel Pit Survey and Inspection Reporting

A. Inspection Survey

1. The Engineer shall survey and inspect the operating gravel mining pit in the spring prior to starting operations for the year utilizing an aerial Drone.
2. Engineer shall provide a basic topographic map and an aerial image of the operating gravel pit during the inspection to get both a visual and topographic representation of the gravel pit activity from the prior year.

B. Reporting

1. A written report shall be submitted to the city within 30 days following the field inspection.
2. The Engineer shall inspect and certify as compliant or, if deficient, note the deficiency and corrective action to be taken pursuant to a checklist to be developed by the engineer and the City to ensure compliance with the city ordinance.
3. Engineer shall develop a report to include the following information:
 - i. Mine Description
 - ii. Observations
 - iii. Disturbance Area
 - iv. Reclaimed Area
 - v. Violations
 - a. Corrective Measures and Recommendations
 - vi. Conclusion/Summary
 - vii. Site Maps and Aerial Image
 - viii. Inspection Photos with Descriptions

The following items, if desired, will be performed at Engineer's standard hourly rates above and beyond our Lump Sum price:

1. Boundary and easement survey
2. Noise monitoring
3. Air quality monitoring
4. Gravel mining operation hours monitoring
5. Construction or backfill operation inspections

2022 Gravel Pit Survey and Inspection Reporting

Vergas, Minnesota
