ALL Trails Lead to Vergas Update

The City of Vergas Trail Committee is applying for the Transportation Grant to cover 80% of the project. The City will need to raise \$100,000.00 to complete the path/boardwalk from the current Long Lake Trail to Tin Can Alley. We have currently raised just over \$20,000 for the project. Please help us by writing a letter of support for the trail. A sample letter can be found on the city website www.cityofvergas.com, stop by the city office for a copy or email cityofvergas.net and one will be emailed to you. Please return letter to City Office by December 31. Thank you for your help with the trail.
