The parade route, as in past years, will be going over railroad tracks. Please use common sense when crossing!

While not being very successful, we do our best to work with the railroad to postpone trains.

In the interest of safety, please **DO NOT** throw candy from moving floats/vehicles. You may have people walking along the route handing out candy. Any animal entries must provide their own clean-up crew immediately after unit.

Parade assistants will be located along the parade route. Cooperation with assistants is required.

****IMPORTANT RULES:** The Looney Daze Committee and/or the Vergas Community Club **WILL NOT** assume any responsibility or liability for accidents. All entry participants are responsible for their own insurance and liability.
