Mayor Message

Vergas has a Smart Room at the event center that provides public internet access! The Smart Room was made possible through Otter Tail Country and a grant from the Blandin Foundation. Viking Library is providing oversight of the broadband.

The room is equipped with a mounted smart TV, mounted computer, microphone and speakers and can accommodate individual and group needs. The room is available 8am-8pm Monday thru Friday and 12pm-5pm Saturday & Sunday. Until final scheduling and use procedures established and posted, contact the city office to schedule use.

It's exciting the City can provide the technology & internet access to the community!

The Vergas Park Advisory Board is having an information gathering session regarding how to improve our city parks. This is being held on Tuesday, March 23rd, 4pm, at the Vergas Event Center.

Everyone is welcome and every idea is welcome!

DAYLIGHT SAVINGS TIME BEGINS MARCH 14.
