**Mowing Fee Increase:** The City Council raised the fees for mowing from \$100.00 an hour to \$200.00 an hour. The City will mow lawns that are not compliant to City ordinance. Ordinance §92.38 states "All property owners shall be responsible for the removal, cutting, or disposal and elimination of weeds, grasses and rank vegetation or other uncontrolled plant growth on their property, which at the time of notice, is in excess of 12 inches in height."

From KLI ENGINEERING: **IMPORTANT INFORMATION REGARDING NEW GRASS PLANTED LAST FALL ON STREET PROJECT AREAS!** Typically, it will take about 8 weeks to establish. The turf should be well established and at least 3.5 to 4 inches in height. When mowing, the new seedlings are still tender and they should try to avoid a lot of maneuvering on the turf itself by mowing equipment. Mowers should be set relatively high and cut the grass blades down to 3 inches in height at the shortest. Each mowing should alternate directions at a 45 degree angle for a bit.

**Last Chance....to Purchase a Legacy Brick:** Only 19 remaining - 8x8 Bricks -\$150
