

Vergas Looney Days 2022

Food Vendor Application for the Vergas Street Fair Saturday and Sunday, August 13/14, 2022

The food booth fee is \$100. Events run Saturday beginning at 9:30 and will conclude after the parade on Sunday. You are invited to set-up on Friday evening from 4-6 if possible.

The Food Court is limited. We respect our local restaurants and look for vendors who offer varieties of food *different* from what is already offered in town. This allows visitors to enjoy both inside and outside selections. Register early to ensure a spot at the Vergas Street Fair! Electricity is available, generators are allowed as well. 220v outlets are limited. You will need to bring your own water for cooking and clean-up.

All food vendors must carry their own insurance for product and personal liability. Send a certificate of insurance with your application clearly showing expiration date, amount of coverage and having the Vergas Area Community Club as second insured. To participate in this event, all food vendors must have a state health permit and agree to comply with normal safe food handling rules and regulations. If payment and proof of insurance is received and your merchandise meets the criteria of the Vergas Street Fair guidelines you will promptly receive notice of acceptance. Please provide your email and phone number.

Send application and check, payable to Vergas Community Club to reserve your spot. Mail application, proof of insurance and payment to:

Vergas Street Fair c/o Amy Nelson
